We offer young entrepreneurs their own safe and secure online environment to learn more about entrepreneurship and help them develop the skills and confidence to build an awesome business and / or future career in the real-world.	

With parental consent, Educators can register the Kidpreneurs they are responsible for their own dashboard and view their entrepreneurial progress via their own dashboard. The Kidpreneurs will have access to our private online Kidpreneur City where their 'avatar' can access a world of entrepreneurship knowledge, make connections with other kidpreneurs and learn from the qualified and curated hindsight of some of the world's best entrepreneurs and educators.

Kidpreneurs can only network and communicate directly with other kidpreneurs and we monitor all online interactions to ensure child safety and security. All communications from Entropolis regarding the Kidpreneur City accounts are strictly with the verified Educators / Parents / Guardians / Carers who have registered the kidpreneurs.

I will be registering my Kidpreneurs for their own dashboard: ☐ YES ☐ NO

THANK YOU (Entropolis City Icon replaces CK logo)

Commented [TP1]: This field is for our data collection purposes only.

When the Educator KidChall account is activated their dashboard will automatically have the +KIDPRENEURS section activated.

Educators will have to add Kidpreneur details via their dashboard and these verified Kidpreneur accounts will then be automatically linked to the teacher dashboard

WORKFLOW is as per your understanding noted on the ppt provided.
