

Market Day Permission Form

Dear Parent/Guardian,

Your child has recently been participating in the Club Kidpreneur CK Challenge – a microenterprise program teaching kids to build their own business to raise money for charity.

Your child has been working through the Ready Set Go business curriculum to create and launch a real-world business in a group of 3. The groups have constructed their own business products ready for sale.

The program culminates in your child launching their business by selling their products at a market stall location.

Your child will be selling products at: (location)_____ on (date)

Each student MUST receive permission from a parent or guardian to sell their products to the general public on or off school premises.

Please complete the permission form below and ensure it is returned to your child's program mentor before the market date.
