

IT'S CleverPatch® TIME!

Where ideas grow

After completing module 6 by using design thinking to plan what their product will look like, it is time to place an order for the materials and equipment required to produce it.

AS A SIGN OF THEIR COMMITMENT TO THE CLUB KIDPRENEUR'S MISSION, CLEVERPATCH HAS PROVIDED A \$40 VOUCHER FOR EVERY BUSINESS IN THE CK CHALLENGE TO REDEEM FOR CREATIVE MATERIALS TO MANUFACTURE THEIR END PRODUCTS.

Instructions for placing an order are on the CleverPatch booklet inside the business kit. Additional instructions for teachers are provided below:

YOUR CLEVERPATCH GIFT CARDS

As a registered facilitator you have been sent one \$40 CleverPatch Gift Card per business. Your Gift Card numbers with corresponding pin numbers have been provided in the cover letter sent with your CK Business Kit delivery and also in your welcome email from Club Kidpreneur.

USING THE CLEVERPATCH WISHLISTS

To redeem their \$40 CleverPatch Gift Cards, each business participating in the CK Challenge has been supplied with an individual Wishlist. This document is used to assist each group of three kidpreneurs with choosing the items they would like to order for their business. The Wishlists can be found inside each CK Challenge Business Kit along with a set of instructions and product ideas. A soft copy of the Wishlist can also be printed off from the Club Kidpreneur Online Resource Centre at www.clubkidpreneur.com/resource-centre/.

To make it easy to distribute items ordered by your Kidpreneurs, keep the Wishlists handy after you have placed your kidpreneurs' orders, so they can mark off the items they have chosen when your CleverPatch order arrives.

Here are some extra tips for ordering materials:

- The Wishlists are designed to teach students the concepts of budgeting and sourcing product materials. These learnings are best realised when you allow students to search through the Cleverpatch catalogue or website themselves to calculate how they can best spend their \$40 Gift Card.
- If students order more than \$40 worth of materials for their business remind them that they must sell enough products to pay the school back for these extra costs before they can make a profit to donate to charity.
- Have each business complete its own Wishlist separately, then place the order for all Wishlists at once to receive free freight - if the order total is greater than \$90+GST.
